From: Sue Westegaard

A handwritten signature in cursive script that reads "Sue Westegaard". The signature is written in black ink and is positioned to the right of the printed name "From: Sue Westegaard".

RE: Memorial Donation

I would like to donate \$1,500 as a memorial to my mother, Helen Halvorson. Mom was so proud of me when I learned to swim at the pool at the Community Center.

I would like the money to be used for the **Women's Introduction to Swimming and Water Safety**; Katelyn Nadeau has designed this class to be accessible to the Muslim women and girls in our community.

Thank you for your consideration.
