Delinquent Garbage Assessment Hearing

- This is the final assessment for properties with unpaid refuse and recycling services from the City's previous designated garbage hauler, Republic Services.
- Ordinance No. 583 obligates the property owner to pay charges and costs for the collection and disposal of refuse and recyclable materials.
- In previous action, the Council has authorized the collection of delinquent garbage accounts in the city's designated organized collection area.
- This action has eliminated the need to stop services to accounts, which could lead to an increase in illegal dumping.

- This administrative charge is to cover costs associated with assessing these delinquent accounts.
- After the assessment roll is adopted, property owners have until April 15 to pay the assessment interest free.
- Assessments bear an interest rate of 6.00%
- Property owners will receive a courtesy letter informing them of their assessment.
