

Dilemma Brewing Co dba Shakopee Brewhall
124 First Avenue East
Shakopee, MN 55379

July 20, 2022

To City of Shakopee – ATTN: Lori Hensen

Shakopee Brewhall is requesting your approval to have the space in between the Arnies and Brewhall parklet for our upcoming 5th Anniversary event. Please see page 2 for approximate/requested parking spaces.

Days and time that I am requesting use of parking spaces:

- Saturday – September 17 – Noon to 6pm (noon to 2pm planned as setup)

Intent of using this space would be similar to what was during our March 2022 “Bockfest”; in which we “poked” beer with a hot stainless-steel rod. From our first experience in March, and using a Solo firepit, the fire and smoke was very minimal. We believe the ~7 feet of space (in the white square on the second page) will more than satisfy the process of poking the end customer’s beverage. For example, please see the links below for additional information.

<https://www.schellsbrewery.com/events/bock-fest/>

Please call if you have any questions or to discuss next steps.

Thank you,

Ryan Lindquist
