Delinquent Garbage Assessment Hearing

- This is the final assessment for properties with unpaid refuse and recycling services from the City's designated garbage hauler, Dick's Sanitation (DSI).
- Ordinance No. 583 obligates the property owner to pay charges and costs for the collection and disposal of refuse and recyclable materials.
- In previous action, the Council has authorized the collection of delinquent garbage accounts in the city's designated organized collection area.
- This action has eliminated the need to stop services to accounts, which could lead to an increase in illegal dumping.
