

Shakopee Youth Hockey Association Proposal to Expand Trophy Case

What are we requesting: To approve the request and make a recommendation to City Council to expand the current trophy case **from** 1 center and two side bays **to** existing structure plus two additional double bays – one on each side

Why is this important to us:

- We have outgrown the existing trophy case
- Association teams continue to develop competitively
- We wish to proudly display trophies to celebrate the success of youth hockey teams

Details:

- *Cost:* Estimated between \$10,000 – \$12,000 (+/-20%; including design, construction, and installation). Paid for by the Shakopee Youth Hockey Association
 - *Supplier:* Fritz Cabinetry (same as existing structure for continuity)
 - *Timeline:* Expected by the 2022-2023 hockey season (roughly March, 2023)
-

Current State: One Center and two side bays

Proposed
Addition

Proposed
Addition

Future State: Two additional Bays
