

CITY OF
SHAKOPEE
POLICE DEPARTMENT

MEMO

DATE: 1/11/2023
TO: Chief Jeff Tate
FROM: Sergeant Joshua Davis
SUBJECT: THC License Applications

As of 1/11/2023, the City of Shakopee has received THC License applications from the following businesses:

- Top Star Market – 615 Marschall Road
- Nicollet Tobacco – 185 1st Avenue East
- Easy Street Smoke Shop – 1345 Heather Street

In review of these businesses, I determined the following:

Top Star Market – 615 Marschall Road

- According to the Minnesota Secretary of the State: Top Star Market is an LLC created in 2016 with a manager of *Sined Manasra*. The registered office is 615 Marschall Road in Shakopee.
- On November 16th, 2022, I was made aware of an inspection by Scott County which identified Top Star Market as a business selling THC edible products that were in violation of the City of Shakopee moratorium.
- On November 17th, 2022 (Case #22026025) the business failed a compliance check by selling THC edible products in violation of the city moratorium.
- On November 30th, 2022, an agent from the Southwest Metro Drug Task Force entered the store and purchased THC edible gummies that were not only in violation of the moratorium but in violation of Minnesota State Law. *This case has been sent to the Scott County Attorney's Office for review of charges.*
- On December 2nd, 2022, I filed a complaint with the Minnesota Board of Pharmacy regarding the sale of these products.

Top Star Market has failed compliance checks and was in violation of Minnesota State Law by selling illegal THC edible products, I do not recommend awarding Top Star Market with a THC License.

Nicollet Tobacco (also called the E-cig store on 1st and Shakopee Tobacco and ecig) – 185 1st Ave E

- According to the Minnesota Secretary of the State: Nicollet Tobacco is an LLC created in 2018 with a manager of *Sined Manasra*. The registered office is 185 1st Ave East in Shakopee.
 - **Sined Manasra is registered as the same manager as Top Star Market with the State of Minnesota.**
- On November 16th, 2022, I was made aware of an inspection by Scott County which identified Shakopee Tobacco and ecig (AKA Nicollet Tobacco) as a business selling THC edible products that were in violation of the City of Shakopee moratorium.

- On October 17th, 2022 (Case #22023540) the Nicollet Tobacco failed a compliance check and sold tobacco to a person under the age of 21.
- On November 17th, 2022 (Case #22026027) Nicollet Tobacco failed compliance check by selling edible THC products in violation of the city moratorium. They removed these items after the compliance check.

Nicollet Tobacco failed a 2022 tobacco compliance check and was in violation of the moratorium in 2022. I do not recommend awarding Nicollet Tobacco with a THC License.

Easy Street Smoke Shop – 1345 Heather Street

- According to the Minnesota Secretary of the State: Easy Street Smoke Shop is an LLC created in 2020 with a manager of *Eric Condon*. The registered office is Green Isle, MN.
- No reported issues with Easy Street Smoke Shop.

There is no known information that precludes Easy Street Smoke Shop from obtaining a THC license.

Please contact me if you have any questions about additional THC license applications.
