Recommendation:

Adopt Resolution R2023-037.

Discussion:

MN DNR Outdoor Recreation grant provides funding to develop outdoor recreation facilities in local and community parks. As part of the 2023-2027 Capital Improvement Plan (PR-19-002) and the Parks System Master Plan, the development of the riverfront marina will create additional usable park space including and add river access for non-motorized personal watercraft. The entirety of the Sweeney Park project will cost approximately \$1,365,000, and the DNR Outdoor Recreation grant will provide up to \$350,000.

Budget Impact:

A 50% match is required and can be provided through a combination of cash, the value of materials, labor and equipment usage by the local sponsor, and donations. The match and the remainder of the project costs will be paid for out of the Park Development Fund budget.
