Agenda Category: Planning & Development

Shakopee City Council

May 16, 2023

FROM: Michael Kerski, Director of Planning & Development

TO: Mayor and Council Members

Subject:

Letter of Support on Behalf of the Metropolitan Council

Policy/Action Requested:

Adopt Resolution R2023-062, approving a letter of support on behalf of the Metropolitan Council's application to the EPA's Climate Pollution Reduction grant.

Recommendation:

Adopt Resolution R2023-062.

Discussion:

The EPA's Climate Pollution Reduction grant is a federal allocation to 67 of the United States' most populous metropolitan areas. Agencies serving those areas can apply to become a managing entity for those designated funds. The Metropolitan Council is applying for the grant to be the managing entity and provide funding and guidance to communities within the 7-county metro area and 8 of its surrounding counties to further their climate action goals and projects. The letter of support will be included with the Metropolitan Council's application to the EPA's Climate Pollution Reduction grant.

Budget Impact:

A 0% match is required at this time.
