The purpose of the split is I would like to sell off the towing building and the towing lot to the new owner off Shakopee Towing. My mini storage would have its own parcel number that goes along with the rest of my properties, it will be an imaginary line straight north and south lining up with the my westerly entrance of 1803 Eagle Creek BLVD

DuWayne,

Please email me a narrative and description of the property to add to your submittal.

Hello Duwayne

Attached is the prelim plat that shows the site info and the other is what is called the final plat and only shows lines and easements.

Let me know if you have any questions.

Thank you

Tom O'Meara
