

PROFESSIONAL SERVICES AGREEMENT

This Agreement is made and entered into on the 15th day of August 2023, between the **CITY OF SHAKOPEE**, 485 Gorman Street, Shakopee, MN 55379 ("City") and **Bolton & Menk, INC.**, 12224 Nicollet Ave., Burnsville, MN 55337 ("Consultant").

Preliminary Statement

The purpose of this Agreement is to set forth terms and conditions for the provision of professional services by the Consultant for the City for the following described Project:

Southbridge Lift Station Rehabilitation – Design, Bidding, and Construction Services,
Project SEWER-23-002

The City and Consultant agree as follows:

1. **Consultant's Services.** The Consultant agrees to provide professional services as described in Exhibit A, Scope of Work and any addenda thereto. The Consultant shall serve as the City's professional consultant in the specified work and shall provide consultation and advice to the City during the performance of its services. The Consultant agrees to use the City's standard specifications in any bidding documents prepared under this Agreement. The requirements of this section may be waived by the City if the City Engineer determines that they are not necessary for the successful completion of the project. A Consultant requesting a requirement to be waived must have written authorization from the City Engineer and must be incorporated into this agreement.
2. **Time for Performance of Services.** The Consultant will endeavor to perform the services outlined in the work program within the prescribed days from the date of the contract award. Any changes in this schedule must be approved in writing by the City.
3. **Term.** The term of this Agreement will be from August 15th, 2023, through December 31, 2025, the date of signature by the parties notwithstanding. This Agreement may be extended upon the written mutual consent of the parties for such additional period as they deem appropriate, and upon the terms and conditions as herein stated.
4. **Compensation for Services.** City agrees to pay the Consultant for services as described in Exhibit A, attached and made a part of this Agreement, which may be amended from time to time by mutual agreement by City and Consultant. The Consultant's hourly rates must be based on the hourly rates approved by the City.

The Agreement amount shall include all services to be rendered by the Consultant as part of this Agreement (including all travel, living and overhead expenses incurred by the Consultant in connection with performing the services herein) except for special services authorized in writing by the City. The amount stipulated shall be considered a "Not to Exceed" cost to the City.

The Consultant must keep track of the costs billable under this contract at all times; any work in excess of the negotiated amount shall not be eligible for payment unless preapproved. The Consultant must notify the City if the Consultant anticipates that the negotiated amount might be exceeded, in order to determine whether or not the City is prepared to increase the compensation. This notification and approval must occur in advance of the work occurring to be considered for compensation.

5. **Payment of Fees.** The Consultant must submit itemized bills for services provided to the City on a monthly basis. The monthly billing must summarize the progress of the project as certified by the Consultant. For work reimbursed on an hourly basis, the Consultant must indicate for each employee, his or her classification, the number of hours worked, rate of pay for each employee, a computation of amounts due for each employee, the total amount due, the original contracted amount, the current requested amount, and the total amount. Consultant must verify all statements submitted for payment in compliance with Minnesota Statutes Sections 471.38 and 471.931. For reimbursable expenses, the Consultant must provide such documentation as reasonably required by the City. Consultant bills submitted will be paid in the same manner as other claims made to the City.
6. **Audit Disclosure.** The Consultant must allow the City or its duly authorized agents reasonable access to such of the Consultant's books and records as are pertinent to all services provided under this Agreement.

Any reports, information, data, etc. given to, or prepared or assembled by the Consultant under this Agreement which the City requests to be kept confidential must not be made available to any individual or organization without the City's prior written approval. All finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Consultant will become the property of the City upon termination of this Agreement, but Consultant may retain copies of such documents as records of the services provided and may reuse standard portions of such documents in the normal course of its business.

7. **Termination.** Termination for Cause. This Agreement may be terminated by City by seven day's written notice to Consultant delivered to the address written above. Upon termination under this provision, the Consultant will be paid for services rendered and reimbursable expenses until the effective date of termination.

If, through any cause (except those reasonably beyond Consultant's control), the Consultant shall fail to fulfill in timely and proper manner its obligations under this Contract, or if the Consultant shall violate any of the covenants, agreements, or stipulation of this Contract, the City shall thereupon have the right to terminate this Contract by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least five (5) days before the effective date of termination. In that event the Consultant shall have sixty (60) days to furnish all finished or unfinished documents, computer programs, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Consultant under this Contract, which shall, at the option of the City, become its property, and the Consultant shall be entitled to receive just, equitable compensation for any satisfactory work completed on such documents and other materials prior to the effective date of termination.

Notwithstanding the above, the Consultant shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Contract by the Consultant, and the City may withhold any payments to the Consultant for the purpose of setoff until such time as the exact amount of damages due the City from the Consultant is determined.

In the event this Contract is terminated for cause, then the City may take over and complete the work, by contract or otherwise, and the Consultant and its sureties shall be liable to the City for any costs over the amount of this contract thereby occasioned by the City. In any such case the City may take possession of, and utilize in completing the work, such materials, appliances and structures as may be on the work site and are necessary for completion of the work. The foregoing provisions are in addition to, and not in limitation of, any other rights which the City may have.

Termination Not For Cause. The City may terminate this Contract at any time, with or without cause, by giving written notice to the Consultant of such termination and specifying the effective date thereof, at least fifteen (15) days before the effective date of such termination. In that event, the Consultant shall have sixty (60) days to furnish all finished or unfinished documents, computer programs, data, studies, surveys, drawings, maps, models, photographs, and reports or other material prepared by the Consultant under this Contract, which shall, at the option of the City, become its property. If the Contract is terminated by the City as provided in this paragraph, the Consultant will be paid an amount which bears the same ratio to the total compensation as the services actually performed bear to the total services of the Consultant covered by this Contract, less payments or compensation previously made.

8. **Subcontractor.** The Consultant must not enter into subcontracts for any of the services provided for in this Agreement without the express written consent of the City.
9. **Independent Contractor.** At all times and for all purposes hereunder, the Consultant is an independent contractor and not an employee of the City. No statement herein shall be construed so as to find the Consultant an employee of the City.
10. **Assignment.** Neither party will assign this Agreement, nor any interest arising herein, without the written consent of the other party.
11. **Services not Provided for.** No claim for services furnished by the Consultant not specifically provided for herein will be honored by the City.
12. **Severability.** The provisions of this Agreement are severable. If any portion hereof is, for any reason, held by a court of competent jurisdiction to be contrary to law, such decision will not affect the remaining provisions of the Agreement.
13. **Entire Agreement.** The entire agreement of the parties is contained herein. This Agreement supersedes all oral agreements and negotiations between the parties relating to the subject matter hereof as well as any previous agreements presently in effect between the parties relating to the subject matter hereof. Any alterations, amendments, deletions, or waivers of the provisions of this Agreement will be valid only when expressed in writing and duly signed by the parties unless otherwise provided herein.
14. **Compliance with Laws and Regulations.** In providing services hereunder, the Consultant must abide by all statutes, ordinances, rules and regulations pertaining to the provision of services to be provided. Any violation will constitute a material breach of this Agreement and entitle the City to immediately terminate this Agreement.
15. **Equal Opportunity.** During the performance of this contract, the Consultant must not discriminate against any employee or applicant for employment because of race, color, creed, religion, national origin, sex, marital status, status with regard to public assistance, disability, or age. The Consultant must post in places available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause and stating that all qualified applicants will receive consideration for employment. The Consultant must incorporate the foregoing requirements of this paragraph in all of its subcontracts for program work, and will require all of its subcontractors for such work to incorporate such requirements in all subcontracts for program work.

16. **Waiver.** Any waiver by either party of a breach of any provisions of this Agreement will not affect, in any respect, the validity of the remainder of this Agreement.
17. **Liability and Indemnity.** The Consultant must indemnify and hold harmless the City, its employees and agents, for all claims, damages, losses, and expenses, including, but not limited to, attorney's fees, which they may suffer or for which they may be held liable, as a result of, and to the extent of, the negligent or wrongful acts of the Consultant, his employees, or anyone else for whom he is legally responsible in the performance of this Agreement.

The Consultant assumes full responsibility for relations with its subcontractors, and must hold the City harmless and must defend and indemnify the City, its employees and agents, for any claims, damages, losses, and expenses in any manner caused by such subcontractors, arising out of or connected with this contract.

18. **Insurance.** During the term of this Agreement, Consultant must procure and maintain during the life of this Contract, and provide the City with a certificate of insurance showing, the following coverage for each occurrence and in aggregate:
 - A. Comprehensive General Liability Insurance, including Broad Form Property Damage, Completed Operations and Contractual Liability for limits not less than \$1,500,000 each occurrence for damages of bodily injury or death to one or more persons and \$1,500,000 each occurrence for damage to or destruction of property.
 - B. Insurance coverage for Special Hazards, including but not limited to explosion hazard, collapse hazard, underground property damage hazard, (commonly known as XCU).
 - C. Comprehensive Automobile Liability Insurance, in an amount not less than \$1,500,000 for each occurrence. Coverage shall include all owned autos, non-owned autos, and hired autos.
 - D. Errors and Omissions Insurance against errors and omissions resulting from the performance of Consultant's work under this Agreement. Said coverage shall be in an amount not less than \$2,000,000.
 - E. Workmen's Compensation insurance for all its employees as required by the Minnesota Worker's Compensation Act.
 - F. The City of Shakopee must be named as "ADDITIONALLY INSURED" on the insurance described in paragraphs A, B, and C, and must receive notice ten (10) days prior to the cancellation or expiration any of the

specified insurance. If the deductible provisions of the Consultant's coverage or any subcontractor's coverage is questioned by the City, the Consultant shall provide the City, upon request, "Proof of Assets".

This policy must provide, as between the City and the Consultant, that the Consultant's coverage shall be the primary coverage in the event of a loss. If the Consultant is providing either architectural or engineering services, the Consultant must also maintain during the term of this Agreement a professional liability insurance policy with the same limits as for general liability. A certificate of insurance on the City's approved form which verifies the existence of these insurance coverages must be provided to the City before work under this Agreement is begun.

19. **Governing Law.** This Agreement will be controlled by the laws of the State of Minnesota.
20. **Whole Agreement.** This Agreement embodies the entire agreement between the parties including all prior understanding and agreements, and may not be modified except in writing signed by all parties.

Executed as of the day and year first written above.

Re: Southbridge Lift Station Rehabilitation
Shakopee, Minnesota

Dear Mr. Manning:

Thank you for providing us with the opportunity to assist the city with planning, design, and construction of the Southbridge Lift Station Rehabilitation Project. This lift station was originally constructed in 2001 and is due for rehabilitation to ensure reliable operation. The project will consist of the following major components:

- Pump replacement
- Installation of a GridBee® mixing device to prevent grease buildup in the wetwell
- Replacement of piping and valves
- Coating of the wetwell structure
- Driveway rehabilitation
- Electrical/controls upgrades including SCADA and communications

We have identified three tasks in order to complete the work as described above. A summary of the tasks is described below:

Task 1 – Lift Station Design

- Prepare final plans and specifications, including site improvements, lift station improvements, and electrical/controls improvements
- Coordination with city's control integrator
- Hold design review meetings with City staff (60% and 90%)
- Prepare construction cost estimates

Task 2 - Bidding Administration

- Prepare advertisement for bids
- Answer bidder's questions
- Issue addenda as needed
- Hold bid opening and tabulate the bids
- Review bids and prepare letter of award recommendation

Task 4 – Construction Administration

- Schedule and lead project preconstruction and progress meetings
- Review contractor shop drawings
- Periodic critical point site observation and inspections
- Review of contractor pay applications
- Project completion list and closeout

We propose to complete the above services for a total estimated fee of \$57,100. Our fees would be billed hourly and would not exceed \$57,100 without prior authorization from the city. The following is a summary of our fees:

<u>Task 1: Lift Station Design</u>	\$ 26,750
<u>Task 2: Bidding Administration</u>	\$ 5,850
<u>Task 3: Construction Administration</u>	\$ 24,500
Total Estimated Fee	\$57,100

Bolton & Menk has the staff and resources available to begin work on these services upon contract approval. The intent of these services is to finalize design and prepare construction documents in time to bid the project in fall of 2023. An estimated project schedule is provided below.

Design	August/September, 2023
Bidding	October 2023
Submittals and Approvals	November 2023 – January 2024
Equipment Deliveries (Highly Variable)	Summer 2024
Project Completion (Dependent on Delivery Timelines)	Fall 2024

Thank you for the opportunity to present this scope and fee letter. We look forward to working with you and your staff on this important project. If you need any additional information or have any questions on the above, please do not hesitate to reach out to us.

Respectfully submitted,

Bolton & Menk, Inc.

Brian J. Guldán, PE
Principal Environmental Engineer

CC: Henry Pagel, City of Shakopee
