Condensing Boilers, Pumps, and New
Circuit at Shakopee Community Center

Notice is hereby given that the City of Shakopee will receive sealed bids for two (2) new 3 million BTU condensing boilers, two (2) new pumps, and a new primary/secondary circuit at the Shakopee Community Center (1255 Fuller Street). Sealed bids will be received at Shakopee City Hall (485 Gorman Street, Shakopee, MN 55379) until 10am on Thursday, August 31, 2023, at which time they will be opened and read aloud. The scope of work will include to drain, demo, and remove the existing boilers, and then install new boilers, pumps, primary/secondary circuit piping. A mandatory pre-bid conference will be held on Tuesday, August 29, 2023 at 10am at the Shakopee Community Center (1255 Fuller Street). Any firms wishing to submit a bid for the project must attend the pre-bid conference. Bids will not be considered from firms who are not in attendance at the pre-bid conference. A sign in sheet will document attendees who will become eligible bidders.

All bids must be sealed and marked with the project name. Bidders must propose on fully completing the work outlined in the bid document. Bidders may obtain bid documents by contacting Terry Link (tlink@shakopeemn.gov), and bidding documents will be distributed electronically only. Contractors are responsible for printing documents if hard copies are desired.

The bids shall be accompanied by a certified check, cashiers check, or corporate surety bond in an amount equal to five percent (5%) of the base bid, as bid security. No personal checks will be accepted.

No bids may be withdrawn within 45 days of the bid opening. A bidder may withdraw their bid prior to the bid opening, or after 45 days have elapsed after the award of bid provided the City has not acted upon the project. Bids may only be withdrawn by written request. The City of Shakopee reserves the right to reject any or all bids received.
