Sokha Assisted Living is a profit corporation located in Shakopee, MN which provides adult and senior care services through our skilled nursing and staff in our assisted living facility. It is owned by two partnered individuals.

The operations on-site are coordinated through the Manager and Nurse Supervisor.

The staff and any outside contract nurse will report to the Nurse Supervisor.

The financial, administrative and front desk staff will report to the Manager/LALD.

This facility will operate with 3 staff, a Nurse and Manager.
