Subject: RE: VACA-000182-2023 (550 Valley Park Drive, Shakopee, MN 55379)

Tracy,

Thanks for sending this over. This was something that Cyndy and I were working on.

We have no concerns with vacating this easement. It should have been transferred to the City when we reconveyed the forcemain to the City. The City has no use for the easement, as it doesn't necessarily cover the area needed for the forcemain.

Let me know if you need anything else from me.

Tim
