RE: City of Shakopee
2017 Sanitary Sewer Manhole
Rehabilitation
SEH No. SHAKO 139429 14.00

Bruce Loney, PE
Public Works Director
City of Shakopee
129 Holmes St S.
Shakopee, MN 55379

Dear Bruce:

Quotes were received at SEH (Minnetonka office) between February 24 and February 28, 2017 for the above-referenced improvement. Four quotes, ranging in price from a low quote of \$56,500.00 to a high quote of \$95,500.00 were received. The engineer's estimate for the project is \$95,000. Below is a summary of the quotes that were received.

	Contractor	Quote
1	Hydro-Klean, LLC.	\$56,500.00
2	Thul Specialty Contracting, Inc.	\$68,000.00
3	R & H Painting, LLC.	\$87,500.00
4	Innovative Foundation Supportworks	\$94,500.00
5	Engineer's Estimate	\$95,000.00

The low quote was submitted by Hydro-Klean, LLC. This quote is \$11,500.00 less than the second low quote, and \$38,500.00 less than the engineer's estimate.

After review of Hydro-Klean LLC's proposal documentation, we believe they have an understanding of the project and equipment needed to perform the work. SEH has positive experience with Hydro-Klean, LLC, and they are a qualified contractor. The product that Hydro-Klean, LLC has proposed to use is Quadex GeoKrete, which is listed in the specifications as one of the allowable products.

Accordingly, we recommend the project be awarded to Hydro-Klean, LLC in the amount of \$56,500.00. If you have any questions concerning this matter, please feel free to contact me at 651.490.2166.

Sincerely,

Michael H. Ostendorf, PE
Project Manager

Jennifer Schumann, EIT
Project Engineer
