ARTICLE 4. EMPLOYER SECURITY

- 4.1 The Union agrees that during the life of this Agreement, it will not cause, encourage, participate in or support any strike, slow-down or other interruption of or interference with, the normal functions of the Employer.

ARTICLE 6. EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

- 6.1 Definition of a Grievance. A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement.
- 6.2 Union Representatives. The employer will recognize Representatives designated by the Union as the grievance representatives of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the Employer, in writing, of the names of such Union Representatives and of their successors when so designated, as provided by Article 6.2 of this Agreement.
- 6.3 Processing of a Grievance. It is recognized and accepted by the Union and the Employer that the processing of grievances as hereinafter provided, is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and a Union Representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours provided that the employee and the Union Representative have notified and received the approval of the designated supervisor, who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.
- 6.4 Procedure. Grievances, as defined by Article 6.1, shall be resolved in conformance with the following procedure.

Step 1. An employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the employee's supervisor as designated by the Employer. The Employer-designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing, setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested and shall be appealed to Step 2 within ten (10) calendar days after the Employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union, within ten (10) calendar days shall be considered waived.

Step 2. If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 2 representative. The Employer-designated representative shall give the Union the Employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in

Step 2 may be appealed to Step 3 within ten (10) calendar days following the Employer-designated representative's final Step 2 answer. Any grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days following the Employer-designated representative's final Step 2 answer shall be considered waived.

Step 3. If appealed, the written grievance shall be presented by the Union and discussed with the Employer-designated Step 3 representative. The Employer-designated representative shall give the Union the Employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the Employer-designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

Step 4. A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration, subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances", as established by the Public Employment Relations Board.

6.5 Arbitrator's Authority

- A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from, the terms of this Agreement. The arbitrator shall consider and decide only the specific issue (s) submitted in writing by the Employer and the Union and shall have no authority to make a decision on any other issue not so submitted.
- B. The arbitrator shall be without power to make decisions contrary to, or inconsistent with, or modifying or varying in any way the application of laws, rules or regulations having the force and effect of law. The Arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the Employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.
- C. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, providing that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.

6.6 Waiver. If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof, within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the Employer and the Union, in each step.

ARTICLE 7. UNION SECURITY

In recognition of the Union as the exclusive representative, the Employer shall:

- 7.1 Deduct each payroll period an amount sufficient to provide the payment of dues established by the Union from the Wages of all employees authorizing in writing such deduction or a "fair share" deduction, as provided in Minnesota State Statute 179.65, Subd. 2, if the employee elects not to become a member of the Union.
- 7.2 Remit such deduction to the appropriate designated officer of the Union.
- 7.3 The Union may designate certain employees from the bargaining unit to act as stewards and shall inform the Employer in writing of such choice.
- 7.4 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders, judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.

ARTICLE 8. SAVINGS CLAUSE

This Agreement is subject to the laws of the United States, the State of Minnesota and the City of Shakopee. In the event any provision of this Agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions of this Agreement shall continue in full force and effect. The voided provision may be re-negotiated at the written request of either party.

ARTICLE 9. WORK SCHEDULES

- 9.1 The sole authority in work schedules is the Employer. The normal workday for an employee shall be eight (8) hours. The normal workweek shall be forty (40) hours, Monday through Friday.
- 9.2 Service to the public may require the establishment of regular shifts for some employees on a daily, weekly, seasonal, or annual basis other than the normal schedule of 6:30 AM to 2:30 PM. The Employer will give two weeks' advance notice to the employees affected by the permanent establishment of workdays different from the employee's normal eight (8) hour workday.
- 9.3 In the event that work is required because of unusual circumstances such as (but not limited to) fire, flood, snow, sleet or breakdown of municipal equipment or facilities, the employer is expected to communicate potential upcoming changes to normal work shifts with as much advance notice as possible. It is not required that an employee working other than the normal work day be scheduled to work more than eight (8) hours; however, each employee has an obligation to work overtime or call backs if requested unless circumstances prevent them from so working.
- 9.4 Service to the public may require the establishment of regular workweeks that schedule work on Saturdays and/or Sundays.

ARTICLE 10. OVERTIME

- 10.1 Overtime, as defined in Article 3.7, will be compensated at the rate of time and one-half (1½) the employee's base rate of pay. Employees will have their choice of cash or compensatory time off.
- 10.2 Overtime shall be distributed as equally as practicable using a rotating overtime call list. No prior notice is required for overtime because much of it is of a "call out" nature requiring immediate response.
- Overtime will be offered to seasonal employees only if full-time employees are contacted and do not want it.
- 10.3 For the purpose of computing overtime compensation, overtime hours worked shall not be pyramided, compounded or paid twice for the same hours worked.
- 10.4 Employees may maintain a balance of no more than eighty 80 hours of comp time at any one time during the payroll year. Employees may carryover up to 40 hours of accumulated comp time, as of July 31st of each year. Any hours of accumulated comp time in excess of 40 hours will be converted into cash, and paid to the employee or deposited in the employee's Post-Employment Health Care Savings Plan. The schedule in Appendix C will be used to determine whether the money is paid to the employee or deposited in their HCSP. The conversion will take place once a year on the pay date in August of each year.
- 10.5 In all possible scenarios (which could include planned, unplanned, emergency, etc.) hours in addition to regularly scheduled shifts will be offered to full-time bargaining unit members by using the following process:

Inter-department: The additional hours will first be offered within the department normally functionally responsible for the task needing completion based upon the lowest amount of worked overtime or refused time, also referred to as the "bottom of the list". (Parks, Streets and Shops)

Other departments: Should the employer still need volunteers, the additional hours will next be offered outside the department normally functionally responsible for the task needing completion based upon the lowest amount of working overtime or refused time, also referred to as the "bottom of the list". (Parks, Streets and Shops)

Refusal: Should an employee refuse to work the additional hours, they will be charged with two (2) refused hours that will accumulate the same as and will be considered equal to two (2) hours of overtime for future callout purposes.

Seniority Commencement: Effective the first pay period of each year, the list of additional hours will zero out and start over based upon the seniority for the first request to work additional hours.

ARTICLE 11. CALLBACK TIME

An employee who is called in for work at a time other than their normal scheduled shift will be compensated for a minimum of two (2) hours at the rate of time and one-half and will be paid in

cash or in compensatory time-off, as determined by the Employee.

ARTICLE 12. EARLY CALL-IN PAY

Employees shall receive an additional \$5.00 per hour for all hours worked between midnight and 6:30 a.m. that have not been scheduled at least 48 hours in advance.

ARTICLE 13. LEGAL DEFENSE

- 13.1 Employees involved in litigation because of negligence, ignorance of laws, non-observance of laws, or as a result of employee judgmental decision may not receive legal defense by the municipality.
- 13.2 Any employee who is charged with a traffic violation, ordinance violation or criminal offense arising from acts performed within the scope of their employment, when such act is performed in good faith and under direct order of their supervisors, shall be reimbursed for reasonable attorney's fees and court costs actually incurred by such employee in defending against such charge.

ARTICLE 14. SUBCONTRACTING WORK

Nothing in this Agreement shall prohibit or restrict the right of the Employer from subcontracting work performed by employees covered by this Agreement.

ARTICLE 15. DISCIPLINE

- 15.1 The Employer will discipline employees for just cause only. As an example, discipline can be in one or more of the following forms:
 - a) oral reprimand or warning;
 - b) written reprimand;
 - c) transfer;
 - d) suspension;
 - e) demotion; or
 - f) discharge.
- 15.2 Written reprimands, transfers, suspensions, demotions and discharges will be in written form.
- 15.3 Written reprimands, notices of suspension and notices of discharge which are to become part of an employee's personnel file shall be read and acknowledged by the signature of the employee. Employees and the Union will receive a copy of such reprimands and notices. Should discipline or coaching documents to be placed in an employee's personnel file, the Employee and the Union will be notified. After two (2) years the document will sunset for progressive discipline purposes and will not be Public Data after the sunset.
- 15.4 Employees may examine their own individual personnel files at reasonable times under the direct supervision of the Employer.
- 15.5 Employees will not be questioned concerning an investigation of disciplinary action

unless the employee has been given an opportunity to have a Union representative present at such questioning.

- 15.6 Grievances relating to this Article shall be initiated by the Union in Step 3 of the Grievance Procedure, under Article 6.

ARTICLE 16. SENIORITY

The City will work with an employee who has been promoted to a position within the City but outside of the bargaining unit, who later expresses a desire to return to the previous job within the bargaining unit, if a vacancy exists within that workplace. However, the right to return to the unit with benefits or seniority based on total time with the City shall expire after one (1) year.

Seniority will be the determining criterion for transfers, promotions, lay-offs, and recalls, only when all other qualification factors are equal. Seniority shall be established based on each employee's length of continuous service in a position represented by the bargaining unit. Recall rights under this provision shall continue for 24 months after the lay-off occurs. Recalled employees shall have 10 working days after notification of recall by registered mail at the employee's last known address to report for work or forfeit all recall rights.

ARTICLE 17. PROBATIONARY PERIODS

- 17.1 All newly hired or rehired employees will serve a twelve (12) month probationary period.
- 17.2 All employees will serve a six (6) month probationary period in any classification in which the employee has not served a probationary period.
- 17.3 At any time during the probationary period a newly hired or rehired employee may be terminated at the sole discretion of the Employer.
- 17.4 At any time during the probationary period a promoted or reassigned employee may be demoted or reassigned to the employee's previous position at the sole discretion of the Employer. If any employee chooses to return to their previous position, that employee shall have the right to return, for any reason, within the first six months of working in the new position.

ARTICLE 18. SAFETY

The Employer and the Union agree to jointly promote safe and healthful working conditions, to cooperate in safety matters and to encourage employees to work in a safe manner. Safety meetings will be held quarterly.

ARTICLE 19. JOB POSTING

- 19.1 The Employer and the Union agree that permanent job vacancies within the designated bargaining unit shall be filled based on the concept of promotion from within provided the applicants:
- a. Have the necessary qualifications to meet the standards of the job vacancy; and
 - b. Have the ability to perform the duties and responsibilities of the job vacancy.

- 19.2 Employees filling a higher job class based on the provisions of this Article shall be subject to the conditions of Article 17 Probationary Periods.
- 19.3 The Employer has the right to final decision in the selection of employees to fill posted jobs based on qualifications, abilities, and experience.
- 19.4 Job vacancies within the designated bargaining unit will be posted for five (5) working days so that members of the bargaining unit can be considered for such vacancies.

ARTICLE 20. INSURANCE

Public Works employees shall receive contributions towards health insurance premiums equal to that of non-contract employees. In addition, the City shall provide life, long-term disability and dental insurance equal to that for non-contract employees. If at any time before the annual open enrollment process and effective after open enrollment, this bargaining unit elects to opt out of City-sponsored health or dental coverage and voluntarily elect alternative coverage through the Teamsters Joint Council 32 Health and Welfare Plan for the bargaining unit, the City shall contribute the same monthly dollar amounts that it contributes to its non-contract employees for Single, Family +1 or Family premiums up to the amount of the alternative premium for Single, Family +1 or Family, the remainder (if any) to be forfeited.

The floating holiday cannot be carried over to the next year.

In calendar years during which December 24 and/or December 25 fall on a weekend, the Christmas Eve holiday shall be converted to a second floating holiday to be taken on a day of the employee's choice as approved by their supervisor.
