City of Shakopee MINNESOTA

Don Borut, former ED of NLC

- *“Running for public office at the local level is an irrational and unnatural act. You permit yourself to be scrutinized more than an amoeba under a microscope, for below market pay, so that citizens can call you day and night. And for what? The right to make decisions that will tick off half the folks in town.”*

City of Shakopee MINNESOTA

- *“So why do you do it? Basically to make a difference in your community and improve the quality of life for your citizens...”*
