

Shakopee City council,

My name is Tim Hagen and recently applied for a taxi business license. I was turned down by the Shakopee police department because I did not disclose my dui's from 33 years ago. I am asking you to grant this license. I have driven cab for TNT for the last 9 and a half years for which I was given a cab license every year. I am soory I did not include my dui's , they were 33 years ago, I may have miss read the application. I do not drink since my last one. If you have any other concerns feel free to ask
