Hello Darrin,

I am writing to request earlier Saturday start times for the above referenced project as discussed at the Preconstruction Meeting on 2/28. With the full closure after schools are out, there isn't much time left for the scope at hand. I can't say with absolute certainty that we will work every Saturday, but there will be many and if we are going to do it, we need to make the most of our time.

- Requested Saturday working hours: 7 am – 7 pm
- Date Range June 8 – August 24, 2024

Please let us know if acceptable.

Thank you,

Tom Soucek
