

Binding approval for Variant Design
When pressing "Prepare to order" in CRM all purchases are subject to this design. This design is defined under its own KOMPAN identification number, which is stated in upper right corner. All constructional details, dimensions, materials, colours and specifications shown on attached datasheets (plan, side, perspective view + safety zone) are hereby accepted when placing the order. Changes are no longer possible.

Notwithstanding the aforementioned and without changing the overall design, Variant Team may in the construction phase, without obtaining approval, perform smaller modifications when deemed beneficial or necessary for the construction. All other modifications are subject to prior approval.
