

The Benedictine Health System is sponsored by the Benedictine Sisters of St. Scholastica Monastery. As one of the largest Catholic senior care organizations in the United States, we approximately 40 senior care communities in Minnesota, North Dakota, Missouri, Wisconsin and Illinois. The Benedictine Health System currently operates St. Gertrude's Health & Rehabilitation Center adjacent to St. Francis Regional Medical Center.

The proposed Benedictine Living Community of Shakopee will be a continuum of care campus for seniors that will include independent living, assisted living and assisted memory care located on 12.083 Acres. Plans call for possible additions for independent living and a higher level of care facility.

The campus is planned to have approximately 179 residences for seniors comprised of around 115 independent living apartment homes in a mix of one and two-bedrooms and 64 assisted living and assisted memory care apartments.

Included in monthly fee would be all utilities, maintenance, scheduled transportation, health and wellness programs, access to town center amenities and 24-hour on site staff. Assisted living and assisted memory care will also include meals, housekeeping, programmed social and wellness activities, and access to personal care services at an additional fee.

A town center of approximately 24,000 square feet will be available to all residents and will include: a bistro with beverage and food options, a dining room, a community room for large gatherings, club lounge, movie theatre, programmed health and wellness with classes and wellness equipment.

The overall building will be approximately 290,000 square feet with a mix of 2,3 and 4 story buildings. Underground parking for most independent living apartments will also be available along with surface parking for staff.
