

Dilemma Brewing Co dba Shakopee Brewhall
124 First Avenue East
Shakopee, MN 55379

April 18, 2018

To City of Shakopee – ATTN: Lori Hensen

Shakopee Brewhall has been approached by a Cornhole League organization – Versus Circus with the opportunity to have the Brewhall host weekly Cornhole games each Tuesday beginning the week of: May 22 and running through July 24th. In conjunction with Brian Turtle, he and I have agreed to use the alley space in between our two buildings (noted on page 2 of this letter).

With this league and event, there will be consumption of alcohol (i.e. Brewhall beer) outside of our establishment – within the alleyway.

I am requesting the city's approval for customers of the Brewhall to consume our beer during this cornhole season. A few things to note:

- 1) Window of time this event will occur – 5pm-10pm
- 2) Beer will be poured in plastic glasses
- 3) All customers will be IDed – our normal practice
- 4) Access to this alleyway space will be via the side door of the Brewhall
- 5) In the event of a rainout on a Tuesday, the rescheduled day would be on a Wednesday – same time.

In addition to the map on page 2, I am including a few documents (promotional pieces) regarding the business “Versus Circus” and the messaging of the Cornhole League.

Please call if you have any questions or to discuss next steps.

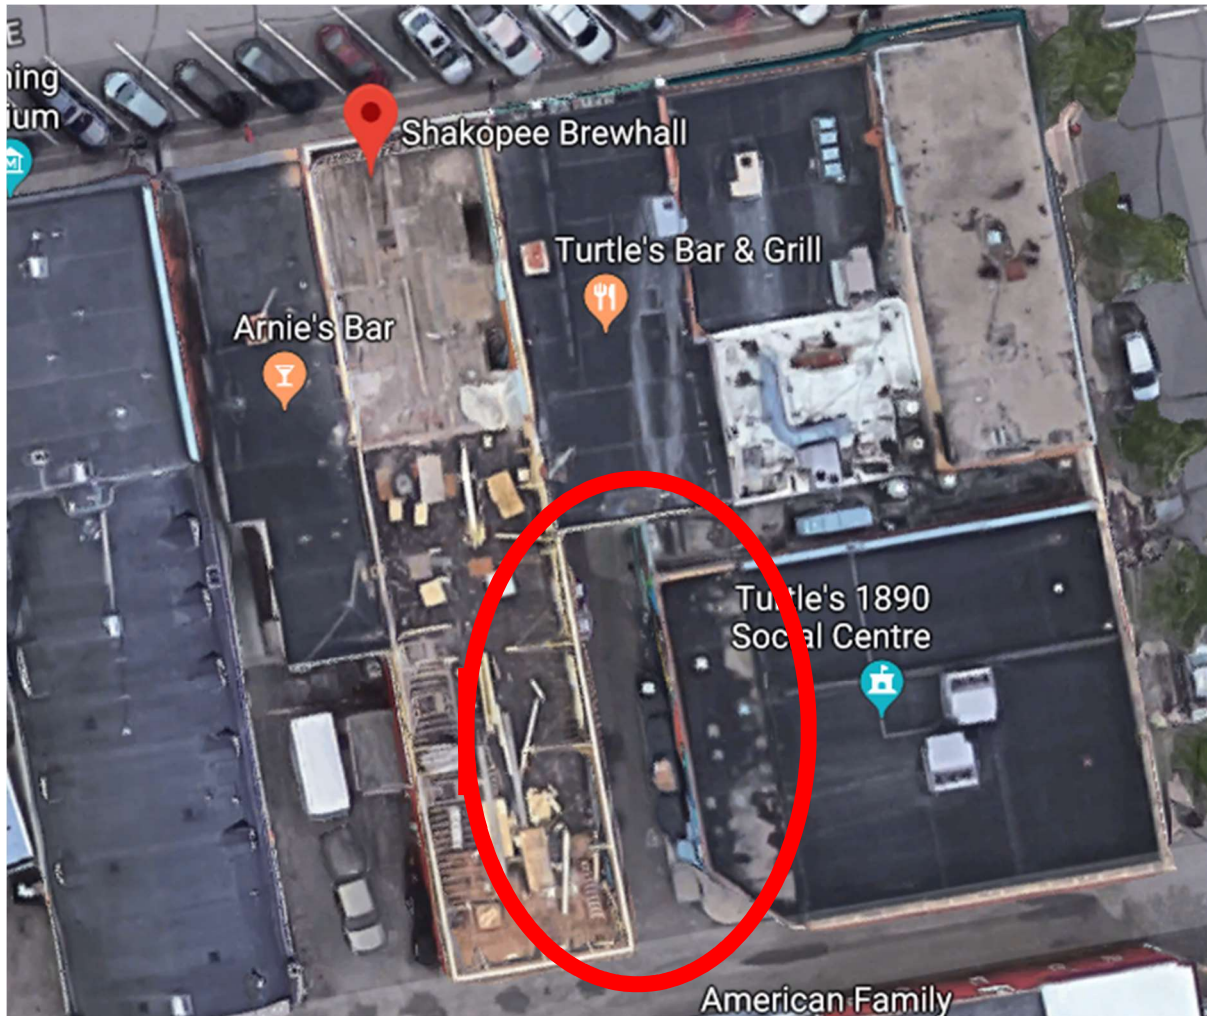

Thank you,

Ryan Lindquist
