

Official Summary of Ordinance No. O2018-019

**The following is the official summary of Ordinance No. O2018-019
Approved by the City Council of the City of Shakopee, Minnesota on November 20, 2018**

**AN ORDINANCE OF THE CITY OF SHAKOPEE REPEALING AND REPLACING
SECTIONS 151.185 THROUGH 151.200 OF THE SHAKOPEE CITY CODE
PERTAINING TO SIGNAGE**

1. The ordinance amends the City Code by repealing and replacing in its entirety Sections 151.185 through 151.200 relating to signage regulations.
2. The ordinance expands the City's purpose statement regarding signage regulation.
3. The ordinance updates signage definitions.
4. The ordinance repeals Sign Overlay Districts and reinstates signage standards which correspond to existing Zoning Districts.
5. The ordinance repeals the Sign Adjustment process and establishes the use of the existing Variance process for signage which does not meet signage regulations.
6. The ordinance establishes illumination guidelines for signage lighting.
7. The ordinance creates a new sign category "highway signs" which will allow larger signage nearby and oriented towards designated highways in the city.
8. The ordinance simplifies and standardizes regulation concerning temporary signage.
9. The ordinance removes all content or user-based regulation.
10. The ordinance revises signage standards for much of the properties within the city.

A printed copy of the ordinance is available for inspection by any person at the office of the City Clerk and at the Shakopee Library.
