Dear Mark:

This letter is offered on behalf of the Jackson Town Board relating to the update of the Shakopee/Jackson Orderly Annexation Agreement ("OAA"). The Jackson Town Board received and reviewed the four annexation applications at its meeting of April 11, 2017. The annexation applications were forwarded for approval without comment or objection.

The Town Board requested I communicate to the City of Shakopee that Jackson hereby requests that no additional annexation applications be processed under the existing OAA until the updated OAA is complete.

Sincerely,

Timothy J. Keane
