* Action requires simple majority vote of the Council.

BACKGROUND

As the lead organization for the South Metro JPA for Roadway Maintenance Services, the City of Burnsville coordinates the JPA, prepares the contract documents, provides bidding services, awards the contracts and provides general contract administration for the member local governments acting as one organization. The following bids were received:

Service	Contractor	Bid Amount	Burnsville's Portion
Bituminous Fog Seal	Allied Blacktop Co.	\$ 149,982.84	\$ 0.00
	Pearson Bros., Inc.	\$ 159,241.04	
	Asphalt Surface Tech.	\$ 194,885.11	
Bituminous Seal Coat	Asphalt Surface Tech.	\$ 1,567,926.39	\$ 96,148.80
	Pearson Bros., Inc.	\$ 1,595,522.50	
	Allied Blacktop Co.	\$ 1,936,440.10	
Crack Sealing	Asphalt Surface Tech.	\$ 1,086,246.48	\$ 197,250.00
	Fahrner Asphalt Sealers, LLC	\$ 1,908,902.32	
	Allied Blacktop Co.	\$ 2,208,355.68	
Pavement Markings	AAA Striping Service	\$ 495,780.00	\$ 95,250.00
	Sir Lines-A-Lot	\$ 564,856.00	

Bidding these routine maintenance services on a joint basis allows the member local governments to reduce their administration costs in bidding and administering these contracts and offers economy of

scale pricing the members could not get by bidding the work alone. Burnsville is reimbursed a portion of the amount of work each member does with the JPA contractors. The reimbursement roughly equates to our increased administration time and effort to manage the JPA and contracts. The economy of scale pricing benefits all members, Burnsville included.

The South Metro JPA includes the cities of Apple Valley, Bloomington, Burnsville, Eagan, Elko New Market, Farmington, Hastings, Lakeville, Mendota Heights, Prior Lake, Rosemount, Savage, Shakopee, South St. Paul, Waconia and West St. Paul, along with Scott County and the townships of Empire, New Market, Sand Creek and Spring Lake. This is the largest JPA of its type in the state and JPA quite often has the largest contracts in the state for some of the work.

BUDGET IMPACT

Burnsville's portion of the contracts total \$ 388,648.80. The funding for this work comes out of the Street Maintenance Fund. The remainder of the Street Maintenance Fund's allocation, authorized previously, goes toward other materials and services bid and quoted separately that are individual to Burnsville's street maintenance needs. The other bids and quotes needing Council approval will be brought forward as the work within the fund continues through the summer and fall.

STAFF RECOMMENDATION

Staff feels the bids are competitive and of good value at the time of the bid and recommend accepting the bids and awarding the contracts to the low responsible and responsive bidders as highlighted above. All the contractor are reputable roadway maintenance contractors and have successfully completed these contracts in previous years.

RELATED ENDS & OUTCOME STATEMENT(S)

Transportation: People feel that the community roadway system is well maintained at a reasonable cost.

City Services: Continued implementation of service consolidations and partnerships with Dakota County and other cities.
