

CHURCH OF THE LIVING GOD, PILLAR AND GROUND OF THE TRUTH

THE LIGHT OF THE WORLD

April 16, 2020

To: City of Shakopee Planning Dept. – Mark Noble

First, let me greet you in the name of our Lord Jesus Christ, wishing you the very best of health and blessings.

Regarding the questions on the email of April 16, 2020, the answers are as follows;

1. **Sanctuary seating:** We hope we can accommodate around or at least 300 seats in the Sanctuary area, this would include the Choir and congregation area of the sanctuary. This to have some breathing space and not reduce exponentially the seating capacity, especially in these times.
2. **Fellowship Hall seating:** If required probably for 150 chairs but as stated before, this area is for fellowship and different smaller groups meetings.
3. **Offices:** Need 3 seats in 4 offices.
4. **Hours and Days of operation:** Our normal worship hours and days are as follows,
 - a. 5 am – 5:40 am - **Daily**
 - b. 9:30 am – 10:30 am – Woman's prayer **Daily**
 - c. 6:30 pm – 7:30 pm – **Daily Prayer Monday – Saturday**
 - d. Sunday School 10:00 am – 12 noon
 - e. Sunday Service 5:30 pm – 7:30 pm

Thru the years in different cities we have had the opportunity to build or buy buildings for houses of worship, we have seen the communities be blessed and come together in many ways and we are very hopeful to be able to bless the community around us here in Shakopee

God Bless you.
