RE: Annexation of South Site

Mr Kerski:

Per our previous conversations, this letter is a request from Shakopee Public Schools to have the school district property we refer to as 'South Site' annexed by the City of Shakopee. This friendly annexation would see the entire school district property at this location, East and West Parcels, move from Jackson Township to the City of Shakopee.

The annexation to the City of Shakopee has a number of benefits for the school district in terms of both immediate uses and long term planning.

Sincerely,

Mike Redmond
