9/10/2020 10:44	Concept 2 - Passive, Iconic Park	I do not want basketball in this park.	I, due to liability factors, desire a fence between the park and my property to the south. Dennis J. Purcell	Concept 1 - Traditional Playground Structure	
9/10/2020 15:05	Concept 2 - Passive, Iconic Park	I do not want basketball in this park.		Concept 1 - Traditional Playground Structure	I assume that Timber would still have it's basketball hoop and court even though it is not mentioned? Keep it there since the neighbors are used to the noise instead of creating a new place of noise and creating a magnet of trouble from elsewhere by putting any basketball type at Meadows Park.
9/10/2020 17:08	Concept 2 - Passive, Iconic Park	I do not want basketball in this park.	I don't think basketball is necessary when it's already at Timber Trails. A parking lot would be great or no parking signs on Meadow Ct.	Concept 1 - Traditional Playground Structure	Keep basketball at Timber Trails.
9/11/2020 12:36	Concept 2 - Passive, Iconic Park	I would prefer traditional, half-court basketball.		Concept 2 - Iconic Climbing Structure

9/11/2020 15:16	Concept 1 - Active, Traditional Park	I think bankshot is a great idea here!	Both are lovely. Our neighborhood has tons of kids that need to get energy out, which is why I support the more active Concept 1. However, I worry a little about the soccer field as that might increase traffic on Jennifer Lane which is already becoming more busy with more houses being built in the area and there wouldn't be adequate parking space should any teams decide to have soccer games there.	Concept 1 - Traditional Playground Structure	Concept 1 seems more suitable for a variety of ages. Can the climbing structure be incorporated?

9/11/2020 15:48	Concept 1 - Active, Traditional Park	I would prefer traditional, half-court basketball.	Lots of basket ball hoops in driveways. I believe that a true half court would be a great thing and would not add any more noise vs people playing in the streets. (Currently there is a hoop in the street across from the park location) balls wouldn't be rolling into streets if there was a safe level place to play. Donnay concept plan had a basketball court on it, if people were worried about noise they knew before they built their house.	Concept 2 - Iconic Climbing Structure

9/11/2020 20:04 Concept 1 - Active, Traditional Park	I would prefer traditional, half-court basketball.	Traditional basketball courts would offer something for older kids in the neighborhood. The bank shot looks tailored to the younger kids and the rest of the park already targets that group.	Concept 1 - Traditional Playground Structure	The iconic climbing would not keep many kids busy at a time. The traditional will have a larger capacity and offer more variety for kids.

9/21/2020 11:35	Concept 1 - Active, Traditional Park	I would prefer traditional, half-court basketball.		Concept 1 - Traditional Playground Structure	A new basketball hoop at timber trails would be wonderful. At the very least, don't tear down the current court.
9/22/2020 21:30	Concept 1 - Active, Traditional Park	Other: prefer a rink or outdoor skating/shooting area - we have a large hockey neighborhood.	Love the idea of unique offerings that will be a special draw for our children. Would also love to see enhanced walking and biking trails through neighborhoods to connect parks and allow us to bike easier to places in the city. Thank you for taking input from our neighborhood I appreciate that you are listenting.	Concept 2 - Iconic Climbing Structure	I love concept #2 and feel it is something unique that will be a draw for neighborhood kids.
9/24/2020 15:10	Concept 1 - Active, Traditional Park	I think bankshot is a great idea here!	Would there be any way to get a gaga ball pit added? It is a great activity and fun for the kids, especially the older ones. This would help our kids grow with the park.	Concept 2 - Iconic Climbing Structure
