RE: Memorial Donation

I would like to donate \$1,000 as a memorial to my mother, Helen Halvorson. She always thought we had such good Active Older Adults programming here.

I would like the money to be used for Active Older Adults programming under the supervision of Mary Feltmann.

Thank you for your consideration.

A handwritten signature in black ink that reads "Sue Westegaard". The signature is written in a cursive style with a large, sweeping loop over the "W" and "e" in "Westegaard".
