Hi James,

Thank you for your estimate request, however we no longer offer sealcoating. We ceased this service after the 2013 season.

Sorry,

Dawn Reid

Subject: Trail Sealcoat Project

The city of Shakopee is requesting bids for our 2017 Trail Sealcoat project, we estimate 74,000 SY of work or 15 miles of trail. The city of Shakopee will pre-treat the area for weeds, sweep and do the first turn back of the edges along the trail, the contractor will remove all vegetation on trails to the original edge, power clean the surface, rout cracks over 3/8" in width to 1/2 wide by 1" depth, except in alligatored areas, clean out all cracks and seal with MnDot-3723 hot pour rubberized filler, no bands, and clean/prime bad spots as necessary. The contractor using a squeegee, or squeegee machine, will apply one coat of Star-Seal MicroPave Supreme, or approved equivalent, containing 4-5 pounds of silica sand per gallon at a coverage rate of 0.23-0.25 gallons per square yard, on the same day after drying to the touch the contractor will apply a second coat using a spray applicator of Star-Seal MicroPave Supreme containing 2-3 pounds of silica sand per gallon at a coverage rate of 0.12-0.14 gallons per square yard. The contractor will provide all traffic pedestrian control as needed and clean the work area at the end of each day. Please see attached plan/map for more info. Work will start on or after July 17, 2017 and is to be complete on or before September 8, 2017. Please send bids to James Henderson at JHenderson@ShakopeeMN.Gov no later than noon on June 30, 2017.
