

Re: Land Annexation of 766 128th St. in Jackson Township

To whom it may concern,

We received the notice for the *Public Hearing* that is to take place on June 3 at *Shakopee Council City Hall* chambers and "*neighborhood meeting*" to take place on May 25 at the Jackson Town Hall shelter.

We will be out town for both of these meetings as we already went to one hearing in early May and it was tabled after we waited.

We are adamantly opposed to the city of Shakopee annexing the land for the property of 766 128th St. in Jackson Township as the city is defaulting on the agreement between the city and the township of annexing land in stages. This was an area that they "supposedly" not interested at this point in time as it was a ways in the future. This was to "only happen" on the west side of Marystown Road.

We are against this as it was not an agreement, not matter how clean you say it will be or not disruptive, it will be a burden. It will also be noisy during construction and even more so, as people get closer. The county roads are having a hard time already handling traffic and more accidents will come, even if you say they come in from the other way, Have you driven down Marystown Road and people never stop on 17th Ave, going in multiple directions.

We are opposed to it.

If you would want to talk about these concerns, you may reach out to us at 612-240-5156.
